Introduction

This is **your** travel insurance policy. It contains details of what **we** cover, what **we** don't cover and the conditions each **insured person** needs to meet. **We** will deal with all claims on the basis of this policy.

The policy includes all the areas **we** cover. **Your** policy schedule shows what specific cover **you** have bought. For example, annual multi trip or single trip, or if **you** bought extra covers like winter sports cover. **You** should read all the sections of this policy relating to the covers **you** have bought.

The policy schedule is part of the policy. The policy schedule will tell **you** what type of policy it is, a summary of the cover, any extras **you** have chosen, the **insurance period** and how much **you** have paid.

This policy is active once **you** have paid **your** premium and **we** will provide insurance in line with the sections of **your** policy as set out in **your** policy schedule.

If **you** need to make any changes to the details in **your** policy schedule, **you** should contact **us** as soon as possible. **We** will then tell **you** if **we** can make those changes and if **you** need to pay extra to do so.

About your policy wording

If **you** have any questions about **your** cover, **you** can call **us** on the number listed in the '[Important telephone numbers and email addresses](#)' section. Please make sure **you** have **your** policy number when **you** call.

It is important **you**:

- read **your** policy wording and make sure **you** are covered for the sort of losses or incidents **you** think might happen, or that **you** might want to make a claim for,
- make sure that **you** understand what **your** policy does not cover, and
- understand any conditions of **your** policy because if **you** do not meet these conditions, it may affect any claim **you** make.

Remember, no policy covers everything. For example, **we** do not cover things such as:

- **Pre-existing medical conditions** as described in the '[Important conditions relating to health](#)' section (unless **you** have contacted **us**, and **we** have accepted in writing).
 - If **you** do not declare any **pre-existing medical conditions** **we** may refuse to deal with **your** claim or reduce the amount of any relevant claims, even if a claim is not related to a **pre-existing medical condition(s)** **you** did not tell **us** about.
- Any losses that **we** have not specifically listed in the policy.
- Circumstances or an event **you** are looking to claim for, that **you** knew about before **you** bought this policy.
- Any **trip** that had already started when **you** bought this policy.
- Any losses which happen outside of a valid **trip** (except for '[Section 1 – Cancelling or cutting short a trip](#)', see the definition of '**insurance period**' for full details).

Your policy only covers people who are permanently resident in the **UK** and registered with a **UK** GP.

This policy is designed to cover **your** entire **trip**. The policy will need to cover the date that **your** **trip** begins until the date **you** return to the **UK** including the dates **you** are travelling.

The things which are not covered by **your** policy are set out:

- in the '[General exclusions applying to your policy](#)' section, and
- under the heading 'What we do not cover' in each section.

If **we** do not state that something is covered, **you** should assume that it is not covered.
